On 20 May 1952, source learned that the members of the apprentice instruction workshop of the Boehlen Combine were to be trained by the VP and FDJ factory group in glider and parachute training. The training was supervised by Polizeirat Hoewel (fnu). Recently, candidates for these courses were openly recruited for the air and parachute units of the VP. FDJ members of the Boehlen Combine who previously enlisted voluntarily were 16 or 17 years old. *
